

MINUTES OF THE PARISH COUNCIL AGM

Thursday 18 May 2023, Village Hall, 7pm

Parish Councillors Charles Holroyd (Chairman), Alison Barker, Paul Barnes, Tim Harman, Nick Ralls;
Clerk Susan Turner; Guests: Parish Lengthsman Gordon Hunt Members of the public. 3

1 WELCOME & APOLOGIES

The Chairman opened the meeting, welcomed the newly elected Parish Council and all attendees. Apologies accepted from Nick Ralls, and from County and Ward Councillors.

2 NEW COUNCILLOR DECLARATIONS OF OFFICE

Parish Councillor Declarations of Office, made, signed and witnessed by the Clerk.
Councillors not attending will make and sign declaration of office at earliest opportunity.

3 ELECTION OF CHAIRMAN 2023/24

Charles Holroyd proposed by Alison Barker; Charles Holroyd indicated his willingness to continue as Chairman. Seconded Paul Barnes, agreed unanimously.

Chairman's declaration of Office for 2023/34 made, signed and witnessed by the Clerk.

Election of Vice Chairman Nick Ralls, proposed Paul Barnes, seconded Chairman, agreed. Nominated Vice Chairman to agree, make and sign declaration at earliest opportunity.

4 PUBLIC SESSION

Complaint re Thames Water from Little Hoddington residents whose property borders the pumping station. On the day the pumping station fencing was replaced, residents returned home to find their tree, on their land, had been taken down, without request or permission, and hedges also cut down. Thames Water contractors claimed that the tree was in the way. Complaint made to Thames Water but not received a response.

Parish Council has recently exchanged correspondence with Thames Water – about the pumping station fencing, about Holme Hill connection, and about the tankers – but no response received to emails over the past month. Seeking to re-establish contact. To copy each other into any correspondence.

Utilities companies do have powers to remove trees if they are a hazard to their installations or equipment. But should be a good reason and should seek permission when have the opportunity to do so.

5 MINUTES OF PREVIOUS MEETING of 20 April agreed, signed by Chairman.

6 DECLARATIONS OF INTEREST in items on the Agenda, none.

7 REPORTS TO THE MEETING

.1 Parish Lengthsman report

- I have walked all the footpaths on Monday 08 May. All passable and most have dried out.
- I have noticed the drain that I was concerned about outside the Old Vicarage has been cleaned out and is clear.
- Tuesday afternoon 09 May I investigated a noise coming from the pumping station area and found fencing contractors erecting a new fence and gates. I have photos. There is still some refuse around the area as you can see in the photos.
- I received a neighbour report that there was a tanker pumping on Monday the 08 May.
- I have photos of the damaged grip along Weston Road.
- Again patching up the goal net, will soon need replacing.

.2 Tennis Club annual report **APPENDIX I**

The Chairman reported on the Tennis Court Club 24th year 01 May 2022 to 30 April 2023.

Forty seven membership fees were received in the 2022/23 season, mostly for families, compared with 44 in the preceding year. Playing fee income was £1,700, up on the prior year's £1,590.

The Club continues to prioritise activities for adults' and children's tennis. For the past eight years the Tennis Committee has arranged two sets of coaching for village children aged from four/five to 15/16 years old, one in the Easter and one in the Summer holidays. In the Summer there were a record 72

children who participated, and in the Easter there were 50 children. The coaching is hugely popular with parents and children and engenders a strong feeling of local community. The Upton Grey Educational Trust generously contributed £200 towards each of the coaching sessions.

The Club Committee held a social tennis mixer evening on Thursday the 23 June 2022, and intends to hold another mixer this year.

Maintenance – The court is generally chemically cleaned and treated twice a year and given a jet wash. Having been resurfaced in the previous year, and painted this year, it is in excellent condition. Revenues in the 2022/23 season were £4,317.00. Expenditure was £3,596.50, giving an increase in the capital reserves of £720.50. This compared to a £6,610.95 fall in reserves in the prior year when the court was resurfaced. Amounts over £100 are paid through the Parish Council.

The closing Balance Sheet at 30th April 2023 showed a positive position of £15,016.94.

The Club is a member of the LTA and so benefits from advice and a low insurance premium.

As Chairman I would like to thank all the members of the Committee for the time they give, and for being such a well organised, enthusiastic team. We also thank the Parish Council and the Upton Grey Educational Trust for their continuing encouragement and support.

.3 **Village Hall Committee annual report APPENDIX II**

i Village Hall Financial Year Oct 2021 to Sept 2022

Hirers are returning post Covid but still an overall loss of £4,970. Income £5,031, spending £10,001 funded from the Government Covid Support Grants administered by BDBC.

Shop During the year plans were drawn up to increase the size of the Shop by transferring some little used space from the Hall to the Shop. We were supported by HCC Rural Grants, County Council grant, BDBC Section 106 allocation and the Parish Council. With funding from the Village Hall Covid Grants Scheme a total of £18,643 was raised. The initial estimates of the total costs of the work was £27,643, the balance provided by the tenant, Suki Sukarnan. Work started in April 2023.

100 club is the main fund raiser for the Village Hall; this year 151 entries paying £3,824 of which £1,680 was returned to 24 prize winners after the monthly draws.

ii Interim Report – Oct 2022 to May 2023

Extra effort is being made to increase the level of bookings and events, needing to reduce the potential deficit this year.

Valuation For insurance purposes we had the cost of rebuilding the Hall revalued. This resulted in a modest increase in premiums. The surveyors estimated the rebuilding costs at £586K.

100 Club so far has attracted 151 entries; an increasing number of entrants have multiple entries. The money is needed towards refurbishing the kitchen, a long term objective.

Village hall works associated with the Shop: The Stage and Hall switches have been moved into the main Hall.; the Public Address and Stage Spot Controller has been moved to the cupboard at the back of the Hall. Some work still outstanding.

The VH bank accounts hold approximately £18,500, the majority from the BDBC Covid support. Known liabilities are round £3K

iii Connecting door to the side of the stage Re question raised at the last meeting, the Village Hall Committee have confirmed that there is provision for a connecting door.

.4 **County Councillor Report** delayed due to election perdah. [Report received 19 May at **APPENDIX III.**]

8 **MAY LOCAL ELECTIONS**

.1 **Congratulations** to Onnalee Cubitt on her re-election as (Independent) Ward Councillor.

.2 **Election expenses forms** 'NIL' expenditure forms completed by all Parish Councillors and submitted to BDBC Electoral Services.

.3 **Register of members interest forms** To be updated and emailed to BDBC Democratic Services, or via online form (www.basingstoke.gov.uk/cllrs) to be completed within 28 days.

.3 Parish Council grants – for consideration

- i For repeat grant requests for annual events Proposal that where invoices are to be paid by the Parish Council – agreement be given in principle for the following year. Thus agreeing now for the Parish Council to pay Church Fete tables & chairs and portaloos hire invoices for 2024 – to give more certainty in budgeting for both parties, and also to ensure arrangement in advance to direct the invoice to the Parish Council.

AGREED in principle to grant funding for the 2024 Church Fete circa £650 ex VAT.

- ii PCC Noting that the majority of grant requests for Village events are paid to the PCC. Could there be a more strategic way of arranging payments / giving benefit to various groups while maximising value of VAT reclaim?

For further consideration.

.4 Insurance renewal On renewal this will be the third year of a three-year tie in with BHIB, premium £693.92. (Premium last year £630.87, tie-in allows for index-linked increase.)

Noting that the Parish Council cover includes ground surfaces which cover the surface of the tennis courts.

.5 Governing documents and policies

Standing Orders, Financial Regulations and Risk Assessments to be reviewed.

11 HIGHWAYS AND TRAFFIC**.1 Public rights of way**

FP 8 from Weston Road which runs beside Holme Hill. Complaint received about the hedges encroaching. Hedges are landowner responsibly but it seems HCC used to clear this path as part of their priority cutting schedule. As such suggested to log on HCC website. But noting that not the right time of year to be cutting back hedges.

FP 12 which runs from Church street behind the Church is overgrown (undergrowth). Potentially the County Lengthsman could cut; again worth logging on HCC website.

.2 Weston Road – grips and drainage Parish Lengthsman is monitoring. Re broken concrete grip on corner of field entrance, County LM to remove and reinstate the grip. **APPENDIX V**

For signature (p3 of 4)

- .3 Speed limit reminder signs** – as previously on loan from HCC via BDBC licence, the majority not in a usable condition without repair. One is in reasonable condition with just four red LED lights missing.

Email from Adrian Morgan, BDBC engineer, confirming that :` You are welcome to borrow this for as long as it is of use to you. I have a battery, charger and bracket but do not have any of the bands that fix the bracket to a post. An option would be for my former contractor to deploy the sign for you Ssl - Traffic Surveys & Engineering (simonesurveys.co.uk).`

AGREED Clerk to contact Ssl and submit application for a HCC licence.

- .4 Speed Survey ref 20mph pilot** (Conducted by Alison Barker, and results previously submitted to Cllr Henderson with request Upton Grey be included in the 20mph pilot.) Detail of survey results published to the Village on 28 April (without personal data).

12 PLANNING APPENDIX VI

- .1 Parish planning applications for consideration**

23/01066/FUL (Validated May 2023) Waverley Cottage, Church Street. Conversion of garage/annexe to 1 no. two-bed dwelling including single storey front extension and all other associated works. Noted that a replacement application will be submitted for demolition and new build rather than conversion.

- .2 Conservation Area appraisal** The assigned Conservation Area Appraisal Officer Elaine Walters has left BDBC. Awaiting appointment of new officer.

13 FURTHER UPDATES / REPORTS

- .1 Kings Coronation Events**

TO RECORD the Parish Council's appreciation to the Helping Hands for organising the very successful Coronation events. Also to home owners for their brilliantly decorated houses with congratulations to the combined prize winners.

TO RECORD thanks to BDBC for their King's Coronation grant funding of £1,000 and HCC County Councillor Devolved Budget (Coronation) grant also of £1,000.

- 2 Holme Hill** Re the landscaping, BDBC are considering with their legal and landscape teams as to how they may supply the trees.

Noting ME parent company now in receivership.

- .3 Pumping station update** – Upton Grey Sewage Pumping Station UPTOP2ZZ

Fencing APPENDIX VII – Email to Thames Water thanking them for re-fencing and securing the pumping station on 09 May.

Though noting residents' complaints as a 4.1 Public Session that a tree taken down from their garden without permission by the fencing contractors.

Tankers on site Email to Thames Water detailing the ongoing problem of need for tankers.

Tankers on site 08 May [also morning of 19 May]; also 29 March - 'At the moment there is a tanker on site. They say they are doing a clean to include getting rid of wipes and fat.'

No response received from Thames Water to these two latest emails.

- .4 Village Hall and shop.**

- .5 Neighbourhood Watch** Question as to who has taken over NHW for Upton Grey? Replacement NHW posters needed. Clerk action to order.

APPENDIX I UPTON GREY TENNIS COURT MANAGEMENT COMMITTEE

Report to the Upton Grey Tennis Court AGM on 10th May 2023

Report to the Upton Grey Parish Council on Thursday 18th May 2023

Introduction

The tennis court is owned by the Upton Grey Parish Council (PC), which in July 2004 appointed the Upton Grey Tennis Court Management Committee (Tennis Committee) as its agent to manage the court on its behalf.

This report covers the operations of the Upton Grey Village Tennis Court Club in the tennis-playing year 01 May 2022 to 30 April 2023, the 24th year of the court's existence. It reviews playing fees, children's' tennis, coaching, the mixer, maintenance, fund raising and finances.

Playing Fees

To promote tennis in the village and to encourage people to use the court, playing fees are kept at very modest levels and commensurate with meeting the financial goal. The current playing fee rates are £40 per family, £25 for individuals over 18 and £5 for individuals under 18. Opportunities for occasional use of the court can also be provided although these are small relative to annual subscriptions.

Forty seven membership fees were received in the 2022/23 season, mostly for families, compared with 44 in the preceding year. Playing fee income was £1,700 which was up on the prior year's £1,590.

Tennis Coaching

With the Tennis Court on a firm financial footing through fund-raising activities by the membership and committee over many years, we continue to give emphasis to the use of the Tennis Committee's generated funds to encourage increased activities for adults' and children's tennis in Upton Grey.

For the past eight years the Tennis Committee has arranged two sets of coaching for village children aged from four/five to 15/16 years old, one in the Easter and one in the Summer holidays. In the Summer there were a record 72 children who participated, and in the Easter there were 50 children.

The coaching is hugely popular with parents and children and engenders a strong feeling of local community. It is organised by Susannah Livingston Booth, and run by Andrew Ridgers from Odiham Tennis Club. Andrew is a level 4 certified LTA Coach. The Upton Grey Educational Trust generously contributed £200 towards each of the coaching sessions, which allowed the cost per child per week to be kept to an affordable £16.

Tennis Mixer

We held a social tennis mixer evening on Thursday the 23rd June, arranged by James Acheson-Gray. The date is selected to be in the week between Queen's and Wimbledon. Many members joined in for what is one of the high points of the social calendar and ended up at James' house where he and Annabel were wonderful hosts for the evening. The Committee intends to hold another mixer this year.

Maintenance

Maintenance of the Court is looked after by Rosie Ralls. The court is generally chemically cleaned and treated twice a year and given a jet wash. Having been resurfaced in the previous year, and painted this year, it is in excellent condition.

The County Lengthsmen are usually tasked with weed-killing around the court, for which grateful thanks are given to the Parish Council.

Fund Raising and Overall Finance

The agreed overall aim of the Tennis Committee has been to generate a capital reserve by achieving a net cash surplus each year. The Tennis Committee has over several years and through fund-raising activities built up a capital reserve, accumulated within the Parish Council accounts, to pay for what will eventually be an expensive re-surfacing of the tennis court.

continued

continued

Surplus cash is held as a contingency against unexpected court problems, significant maintenance requirements, and to provide support for the playing of other sports in the village, particularly amongst its younger people.

The Tennis Committee's funds and accounts are managed by the Treasurer, Julia Harker. Cheque payments from the Tennis Committee account require two signatories. Amounts over £100 are paid through the Parish Council.

Revenues in the 2022/23 season were £4,317.00. Expenditure was £3,596.50, giving an increase in the capital reserves of £720.50. This compared to a £6,610.95 fall in reserves in the prior year when the court was resurfaced.

The closing Balance Sheet at 30th April 2023 showed a positive position of £15,016.94.

A copy of the profit and loss statement and balance sheet is presented with this report.

LTA - Wimbledon 2023

The club is a member of the LTA. As such it benefits from advice, a low insurance premium, and members can be allocated tickets to Wimbledon.

Committee

The members of the Tennis Committee for 2022/23 were James Acheson-Gray (Social), Julia Harker (Treasurer and Welfare Officer), Charles Holroyd (Chairman), Ant Langly-Smith (Marketing), Susannah Livingston-Booth (Coaching), Lizzie Frost (Governance), and Rosie Ralls (Maintenance). As Chairman I would like to thank all the members of the Committee for the time they give, and for being such a well organised and enthusiastic team.

We also thank the Parish Council and the Upton Grey Educational Trust for their continuing encouragement and support.

APPENDIX II ANNUAL REPORT FROM UPTON GREY VILLAGE HALL COMMITTEE

To Upton Grey Parish Council AGM 18th May 2023.
Registered Charity No. 301978

Village Hall Financial Year Oct 2021 to Sept 2022

During the year Hirers began to return, post Covid. However not enough to prevent an overall loss of £4,970. This was submitted to the UK Charity Commission, a legal requirement, Income £5,031 Spending £10,001. Spending was funded from the Government Covid Support Grants administered by B&DBC.

During the year plans were drawn up to increase the size of the shop by transferring some little used space from the Hall to the Shop. Applications were made to several authorities for grants. We were supported by HCC Rural Grants, HCC Councilor Grants, a B&DBC Section 106 allocation and UGPC. With some funding from VH Covid Grants Scheme a total of £18,643 was raised. The initial estimates of the total costs of the work was £27,643 , the balance provided by the tenant, Suki Sukarnan. (Work was finally started in April 2023.)

The main fund raiser for the Village Hall is the 100 club , this year we had 151 entries paying £3,824 of which £1,680 was returned to 24 prize winners after the monthly draws.

Interim Report – Oct 2022 to May 2023

For insurance purposes we had the cost of rebuilding the Hall revalued. This resulted in a modest increase in premiums. The surveyors estimated the rebuilding costs at £586K. If the Hall is totally destroyed rebuilding is VAT free, otherwise VAT will be incurred.

Extra effort is being made to increase the level of bookings and events. We need more to reduce the potential deficit this year.

100 Club so far has attracted 151 entries, with hopefully more to come. An increasing number of entrants have multiple entries. The money is needed towards refurbishing the kitchen, a long term objective.

Associated with the Shop work we have moved the Stage and Hall switches into the main Hall. We have moved the Public Address and Stage Spot Controller to the cupboard at the back of the Hall. Allowing for the costs of the work above a total of £15,123 has been transferred to the Shop as the VH contribution to the refurbishment cost. Some work still outstanding.

The VH bank accounts hold approximately £18,500, the majority from the B&DBC Covid support. Known liabilities are round £3K

APPENDIX III CLLR JULIET HENDERSON – HCC REPORT – MAY 2023**1. Pot holes**

Potholes and other road defects are one of our biggest issues locally so I thought I would talk a bit about what is being done about them. As I've said before, the weather this winter had the worst possible combination of prolonged heavy rain and sub-zero temperatures.

Despite last summer's drought, we started the winter season with groundwater levels in Hampshire higher than normal. The repeated cycle of rain > freeze > rain > freeze created the perfect environment for potholes to form, and in addition the prolonged periods of heavy rain have kept groundwater levels exceptionally high resulting in localised surface water flooding, and this is despite HCC's efforts to keep roadside grips, gullies and drains clear.

Potholes can form in a number of ways. Aside from general wear and tear, the freeze-thaw action of water when it gets into cracks can rapidly weaken and break open road surfaces, and this is in addition to the hydraulic effect of vehicle tyres constantly going over standing water in cracks and other small surface defects that can also create potholes. This explains why, even though we are moving into summer, potholes are continuing to develop and why some of the temporary fixes are beginning to break down.

Given the high number of potholes that have formed this winter, particularly after each of the spells of freezing weather, HCC's Highways team took the decision to carry out more emergency temporary infill repairs to keep roads safe and serviceable – in the time taken to undertake a permanent fix between 4 and 7 temporary infills can be completed. As a result, over 40,000 of these potholes were filled in the three months from December to February.

The Government has allocated just under £6million to Hampshire for additional pothole repairs. We anticipate this money being used to fill approximately 39,000 additional potholes over the summer. Please do continue to report!

www.hants.gov.uk/transport/roadmaintenance/roadproblems/potholes.

2. Schools

Parents in Hampshire who applied on time for a school place for children starting school in September 2023 – either in Reception Year or in Year 3 in a junior school – have been sent the outcome of their application by Hampshire County Council.

Over 98 per cent (98.77%) of parents have been offered a reception year place for their child in one of their three preferred choice schools, with more than 93 per cent (93.02%) allocated a place at their first choice of school. Of pupils transferring from infant school to junior school (Year 3), more than 99 per cent (99.29%) received a place at one of their three choices, and over 97 per cent (97.88%) obtained a place at their first choice of school.

Parents are being encouraged at this time to consider how their child will travel to and from school, and whether they may need transport assistance. School transport is available for children who meet specific eligibility criteria, after they reach compulsory school age (five years old). The deadline to submit transport applications is 31 July 2023. For more information about school transport assistance, please visit the County Council's website.

3. The Big Fix

With 'The Big Fix' campaign running throughout May, Hampshire residents are being encouraged to give old items, gathering dust or potentially destined for the bin, a new lease of life by visiting their local Repair Café, helping themselves to save money and reduce waste.

The Big Fix is a national campaign to promote the growing number of Repair Cafés across the UK, run by volunteers who teach residents how to fix items at home so that fewer items end up as waste.

There are 17 members of the County Council's Hampshire Repair Café network which offers training and general advice. Since May last year, the network has collectively run over 90 events restoring over 1,000 items to usable order. These include broken items such as electronics, garden equipment, clothing, jewellery, and much more. The initiative is supported through HCC's waste prevention community grant programme.

To find a local event, search for 'Hampshire Repair Café Network, or visit: therestartproject.org/networks/hampshire/

4. Beware ticks

HCC's Countryside Service has advised residents to be 'tick aware' when spending time outdoors as the summer approaches. Ticks are small spider-like animals, almost invisible to the eye. They can cause serious illnesses, such as Lyme Disease. Prevention tips include avoiding tall grassy areas, reduce the amount of exposed skin, check yourself, your children and your pets for ticks and use insect repellent.

They advise that you should remove any found ticks as quickly as possible with fine-tipped tweezers or a tick removal tool, clean the area, and for several weeks monitor the bitten area for any rashes that may appear. Contact your doctor immediately if you begin to feel unwell with flu-like symptoms or develop a spreading circular red rash.

5. Councillor Grants

The new season for HCC grants opens in June, do let me know if there are any good community projects in need of support. Juliet Henderson
